

PUBLIC NOTICE

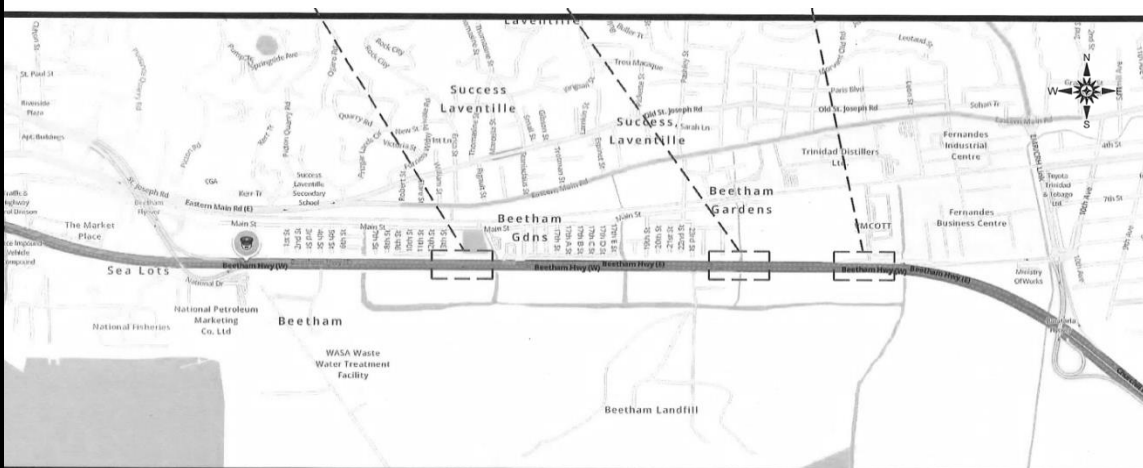

The National Infrastructure Development Company Limited (NIDCO) in partnership with the Ministry of Works and Transport (MOWT) wishes to advise the Public that **major construction works on the southern section of the Beetham Culvert #5 running across the Beetham Highway at location East of the entrance to the Beetham Landfill, will start on Friday 29th July 2016 and end by Thursday 4th August 2016.**

The Works will be undertaken during the weekend period from Friday at 9:00pm to Monday at 3:00am. Diversions will be in place affecting Eastbound and Westbound traffic during the construction period which will result in a reduction from three (3) lanes to two (2) lanes at designated sections of the Highway.

The Public is advised to observe the temporary signage provided on the approaches to the site and comply with police officers to facilitate the free flow of traffic.

Commuters are also advised of heavy construction equipment in and around the construction zone.

All precautions are being taken by NIDCO and its contractor to ensure proper health, safety, and environmental standards are maintained.

We thank you for your cooperation and regret any inconvenience caused.
